

WASHINGTON COUNTY COMMUNITY COLLEGE

Heavy Equipment Operation Tool List

Students accepted into the program are expected to have certain tools. The tools listed below should be of top quality, but do not have to be a particular brand or brand new. The tools may be purchased after school starts from tool suppliers that call at the school which have student discounts. If a student has a question about this matter, contact your instructor, Jim Morrell. You are expected to have your personal protective equipment with you each day of classes. Drafting supplies and books can be purchased equipment through the WCCC Bookstore.

Tools must meet ANSI standards.
