

COLLEGE CHECKLIST

One of the hardest decisions is picking a college.

The following is a checklist to help you narrow down the specifics which are important to you in a college.

For each question, answer truthfully.

After you have completed the checklist, you should have a description (albeit nameless) of the college you are seeking.

Academics

I am looking for courses in _____
as courses that interest me.

I am looking for courses in _____ as a possible major.

Other majors I am thinking about are _____

I would like to attend a school with a _____ to _____ student/teacher ratio.

I would like to attend a small / medium sized / large school.

I would like to attend a college / university

I would like to attend a public / private school
